### Miss Eoline Spearman Wedded in Pennsylvania

Of cordial interest to society will be the following condensed account of the marriage of Miss Eoline Spearman of Sharon, Pa., who with Misses Jeannette Sadler of New York and Ethel Carter of Connecticut, visited Miss Janet Weathers four winters ago. The wedding took place April 24 and the Sharon Herald says:

Simplicity in detail marked the wedding of Miss Cordelia Eoline, daughter of Mrs. Francis Spearman, and George Augustus Keene Sutton of Kingsland, N. J., which was solemnized at the home of the bride. The ceremony was performed in the drawing room by the Rev. W. M. Diefenderfer, in the presence of fifty guests, including the members of the immediate families and a few intimate friends.

The bride wore a simple but elegant gown of ivory duchess satin, made with a circular train, which fell in graceful lines from the waist. The only trimming was on the waist and was Georgette crepe and pearls and brilliants. Her only ornament was a handsome heart-shaped pendant of pearls and diamonds set in platinum, the gift of the groom. Her tulle veil was caught about the coiffure with a few pearls. She wore a corsage bouquet of white sweet peas and maidenhair fern.

The matron of honor was Mrs. Archibald S. Harlowe of Springfield, Mass., who wore her wedding gown of white crepe de chene, draped with accordeon pleated chiffon and trimmed with duchess lace and pearl trimming. She wore a corsage bouquet of pink and white sweet peas and maidenhair fern. Mrs. Harlowe was formerly Miss Jeannette Sadler and it was at her wedding last June at Walden, N. Y., that Miss Spearman and Mr. Sutton met, the latter being a distant relative of Mrs. Harlowe.

Three cousins of the bride, with Miss Ethel Carter of Waterbury, Conn., were the bridesmaids. Horace S. Gould of Brooklyn, N. Y., was best man and Arthur W. Britton of East Orange, N. J., completed the bridal party.

Simple and exquisite decorations were used throughout the rooms. At the bride's table were seated the bride and two cousins of the bride. The centerpiece was a large glass boat of Killarney roses. Small tables were used in serving the guests.

The couple left for a wedding trip by automobile, the destination of which has been kept a secret. Traveling, the bride wore a sand colored suit and black hat, faced with sand messaline and trimmed with roses.

At home cards announce that Mr. and Mrs. Sutton will be at home to their friends after June 1 at 731 Ridgeroad, Kingsland, Lyndhurst, Rutherford, N. J.

The bride is a charming and well known young woman and since the announcement of her engagement some time ago has been much feted. She is a graduate of Sharon high school, class of '07, and of Emma Willard School at Troy, N. Y. Mr. Sutton is the son of Frederick E. Sutton and is a prominent lawyer of Rutherford and is recorder of Kingsland. He is a graduate of the Columbia Law School, class of 1903.

Mrs. T. I. Arnold of Jacksonville is spending a few days in the city with her husband, Mr. T. I. Arnold, who is stopping at the Arms House.

Mrs. Arthur Clark and Arthur Clark Jr. will arrive tomorrow from Jacksonville to spend several weeks with Mrs. Clark's mother, Mrs. S. A. Standley.

Mrs. James Hill and son James, left this afternoon for Lake Weir to spend the summer with Mrs. Hill's brother, Mr. John Carney.

Miss Rexie Todd, who has been attending school in Nashville, will reach Atlanta tonight to be the guest of her brother, Dr. Benjamin Todd for a week or ten days, before returning to Ocala to spend the summer with her mother, Mrs. R. G. Todd.

Mr. and Mrs. R. A. Burford, Miss Agnes Burford and Mr. Sam Burford are planning to go to Troy, Ala., the middle of next month to visit relatives.

Mrs. Ben Gurner of Tampa is the guest for a week of Mrs. Mary Eagleton, arriving yesterday. Mrs. Gurner will be pleasantly remembered here as Miss Hattie Curry and her return visit to her former home will give pleasure to her many friends.

The Tampa Times of yesterday contained an interesting account of the marriage Thursday evening of Mr. C. Harold Nash Jr. and Miss Vert Utter. The groom is the son of Rev. C. H. Nash, for many years pastor of the Baptist church in Ocala, and among the out of town guests were Mr. and Mrs. G. A. Nash of Ocala, the former acting as his brother's best man. The wedding took place in the Presbyterian church, which was elaborately decorated for the occasion and the wedding personnel was large. Rev. Nash officiated. Mr. and Mrs. Nash are now at home to their friends at their home on Waverly avenue.

Mr. and Mrs. C. J. Combs, who came to Ocala in April from Steamboat Spring, Colo., have gone to Fort Lauderdale for a fortnight visit to friends, after which they expect to return to Marion county to locate at Reddick, Mr. Combs being interested in live stock.

Miss Beulah Hall before leaving Brenau for South Carolina, spent several days in Atlanta, going down especially to attend the marriage Wednesday of Miss Annie Louise Pagett to Mr. D. L. Rudolph of Gainesville, Ga. Mrs. Rudolph is an alumnae of Brenau and has numbers of friends in Ocala who will wish her happiness. Miss Hall and Miss Carol Dean, a former visitor, were among the attendants, the former one of four ribbon bearers and the latter one of the maids of honor. Miss Hall wore a pink tulle gown and carried pink sweet peas and blue hydrangeas. Among the out of town guests present were Mrs. H. H. Dean of Gainesville, who visited Mrs. Henry Livingston last winter. Dr. and Mrs. Rudolph have gone east on their wedding trip.

The Woman's Missionary Society of the Methodist church held its monthly meeting at the church yesterday afternoon with a good attendance. The vice presidents gave good reports. Sixteen babies were reported added to the baby roll; 20 subscribers to the Missionary Voice. Mrs. McConathy reported \$126.50 collected on the calendar and urged the months and weeks to collect the amount now due as six months have elapsed since this was undertaken. Mrs. Hampton was appointed to assist the treasurer by collecting the amount of the society's pledge for missions. A committee was appointed to notify the members of the meeting of the society the first and third Fridays in the month. The literary meeting two weeks from Friday will be led by Mrs. F. R. Bridges. "The Working Girl in Our Midst" is the subject. A letter from the Conference president, Mrs. Hanson, was read, telling of the annual meeting of the Woman's Missionary Society of the Florida Conference. No change in conference officers and a very pleasant meeting which was held at Miami.

## The KITCHEN CUPBOARD

FIVE DELICIOUS RECIPES.

**TOMATOES en Casserole.**—Season a jar of tomatoes with salt and pepper, pour half the jar in the casserole, sprinkle generously with dried bread cubes which have been browned in butter, pour in the remainder of the tomatoes and cover with bread cubes; bake twenty minutes in a moderate oven. The bread cubes will absorb some of the surplus juice, and the browned butter will flavor the whole dish.

**Browned Corn Pats.**—To one pint jar of crushed corn, free from the liquor, add one egg, a little salt, a tablespoonful each of sugar and melted butter and sufficient flour so the corn may be formed in little croquettes; strap each croquette with two thin strips of bacon, place in a slightly greased pan and bake for half an hour.

**String Bean Salad.**—To one pint jar of string beans, chopped fine, add two finely chopped hard boiled eggs and a stalk of diced celery; cover with salad dressing and serve on lettuce.

**Buttered String Beans.**—Heat a jar of string beans and drain them; cover with a sauce made from one tablespoonful of browned flour, heated in a tablespoonful of melted butter; stir to a paste and add a scant cupful of water and a pinch of salt.

**Pineapple Fritters.**—Every year I put up several jars of sugar loaf pineapples just for fritters, says an experienced housekeeper. Instead of jarring them in slices or blocks I dice them fine and run with more sugar than used ordinarily. When ready to make the fritters I drain all the juice from the pineapple and keep it for the sauce. For the fritters make a batter of the following: Four eggs, beaten light; a half pint of milk, a pinch of salt and a heaping cupful of flour, sifted twice, with a teaspoonful of baking powder. Beat the butter well, and stir into it a pint jar of pineapple; fry in deep, hot fat and serve with this sauce: Stir into the juice from the pineapple a half cupful of hot water, a tablespoonful of sugar and a piece of butter the size of a walnut; bring to a boil. A little sherry or French brandy may be added if desired.

### HEROES IN THE TRENCHES

Paris, Apr. 8.—These men in the trenches must keep incessant vigilance against sudden attacks by the enemy. The men who serve the artillery fire day and night oftentimes at an enemy that is never seen.

Medical science will save more lives this year than war will take, no matter how terrifically murderous that war may be. Then, too the food supply is very carefully looked after by the commissariat. The food supply of the soldiers must be wholesome. Living in the open air, the men are able to digest hard-baked with great relish. Napoleon said, "An army fights on its stomach." A man with a weak stomach is pretty sure to be a poor fighter. It is difficult—almost impossible—for anyone, man or woman if digestion is poor to succeed in business or socially—or to enjoy life. In tablet or liquid form Dr. Pierce's Golden Medical Discovery helps weak stomachs to strong, healthy action—helps them to digest the food that makes the good rich blood which nourishes the entire body.

This vegetable remedy, to a great extent, puts the liver into activity—oils the machinery of the human system so that those who spend their working hours at the desk, behind the counter or in the home are rejuvenated into vigorous health.

It has brought relief to many thousands every year for nearly fifty years. It can relieve you and doubtless restore your former health and strength. At least you owe it to yourself to give it a trial. Sold by medicine dealers or send 50 cents for box of tablets—Dr. Pierce's Invalid's Hotel and Surgical Institute, Buffalo, N. Y.

You can have Dr. Pierce's Common Sense Medical Adviser of 1108 pages in cloth binding, fully illustrated with colored plates, for 3 dimes or 30 cents. Read all about yourself, your system, the physiology of life, sex problems, marriage relations, anatomy, hygiene exercise, disease and its prevention, simple home cures, etc.—Ad 5
